Under no circumstances may this agreement allow students to be absent during the period of checks or teaching.

Article 2 : Object

The main purpose of the internship will be to ensure the practical application of the teaching given by the **Establishment**, by organizing visits to the facilities and carrying out studies proposed by the **COMPANY**.

Article 3 : Supervision and follow-up

To accompany the Intern during his internship, and thus establish a real collaboration **Company/Intern/Establishment**, the **Company** designates **Mrs/Mr Borys Tam** as supervisor, to supervise and ensure the quality of the work provided by the **Intern**.

The **Establishment** appoints **EL YOUNOUSSI Yacine** as a **tutor** who will provide pedagogical assistance

Article 4 : Programm

The theme of the internship is: "**Metaverse Development**"

This program was defined jointly by the **Establishment**, the **COMPANY** and the **Intern**.

The content of this program must allow the **Intern** to reflect on the teachings or the end-of-studies project that is part of the Institution's training program.

Article 5 : Rules

During the duration of the **internship**, the Trainee remains under the responsibility of the **Establishment**

However, the **Intern** is required to inform the school within 24 hours of any modification relating to the agreement already signed, otherwise he will assume full responsibility for his non-compliance with the agreement signed by the school.

Article 6 : Confidentiality

The **Intern** and all the **Actors** related to his work (the administration of the **Establishment**, the pedagogical sponsor ...) are bound by **Professional Secrecy**. They undertake not to disseminate the information collected for the purposes of publications, conferences, communications, without prior connection of the **COMPANY**. **This obligation remains valid after the expiry of the internship.**

Article 7 : Workers' compensation insurance

The **Establishment (the School)** must take out insurance covering the Civil Liability and Work Accident of the **Intern**, during the internships and journeys made. In the event of an accident at work occurring during the period of the internship, the **COMPANY** undertakes to immediately send the **Establishment** all the information essential to the declaration of the said accident.

Article 8: Evaluation

Once the internship has been completed, the sponsor will draw up a general assessment report on the work done and the **behaviour** of the Trainee during his stay at the **Company**.

The **COMPANY** will give the **Intern** a certificate indicating the nature and duration of the work carried out.

Article 9 : Report

At the end of each internship, the Intern will write an internship report setting out his work and his experience within the **COMPANY**. This report will be communicated to the **COMPANY** and will remain strictly confidential.
